**HAPPY THANKSGIVING!**

*Photo :Abraham Lake in Fall - Images Alberta*

We are thankful to all of you for your support and encouragement in our watershed work. Through the dedication of our many partners, Albertans can be thankful for clean, safe and abundant drinking water. Enjoy a glass of our favorite drink with your Thanksgiving dinner!

**You are invited!**

## NSWA FALL FORUM

October 24, 2019

9:00 am - 2:00 pm

Join us to learn about drinking water protection in the North Saskatchewan River watershed and across the province. Presentation topics will include the Alberta Water Council's 2019 Report and Guidelines for Protecting Sources of Drinking Water in Alberta, EPCOR's Source Water Protection Plan, and other local initiatives. The forum will be held at Clymont Hall in Parkland County. The draft agenda is now posted on Eventbrite. Free registration but space is limited!

October 3, 2019 EPCOR News Release

Alberta Environment and Parks, EPCOR, the City of Edmonton and the North Saskatchewan Watershed Alliance have partnered to launch an enhanced water monitoring program that aims to better understand and protect the North Saskatchewan River - the source of drinking water for over 1 million people.

This extensive water quality and sampling program will improve understanding of how the river is being impacted and how it may change in the future. For more information check out the link to the full article.

**FALL WORKSHOPS**

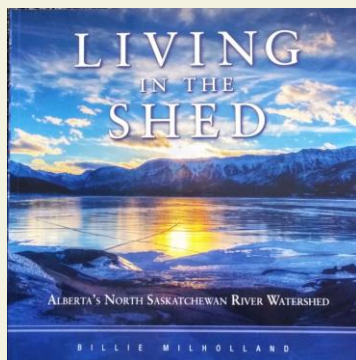

The Land Stewardship Centre is holding a **Grant Writing Workshop** for Community Stewardship Groups. Learn from a variety of speakers how to boost your grant writing efforts for your community group. Register on [Eventbrite](#)

The **Working Well** program provides groundwater well owners with the information and tools they need to properly care for their wells. There are a series of workshops planned to the fall - for more information go to the [Working Well](#) website and download their fall workshop schedule.

NSWA was part of the **ALMS 2019 Annual Workshop** held at Lake Chestermere in September. Check out the ALMS [website](#) for the workshop presentations and more information on lake management issues.

Fall is a wonderful time to explore the North Sask River watershed. Purchase your tour guide, **Living in the Shed**, at our [SHOP](#).

NSWA is a registered charity - for information on supporting watershed projects go to our [DONATE](#) page.
