SOME THINGS DON'T CHANGE!

Photo: *Geese on Big Lake* by Dave Conlin

As spring begins to unfold, and Canada Geese start to make their return, we can be reassured that some things don't change. During this challenging time, we want to take the opportunity to thank everyone who is keeping our essential services strong including healthcare workers, water and wastewater operators and other critical municipal and provincial staff. Some things don't change - our need for water, our appreciation of services, and our resilience as Canadians.

Like many of you, the NSWA staff are working from home and will continue to check emails and voicemail. If you have any questions or comments, please check our website www.nswa.ab.ca for updates or email us at water@nswa.ab.ca and we will reply as soon as possible.

20 YEARS OF MEMORIES

~ DO YOU REMEMBER?

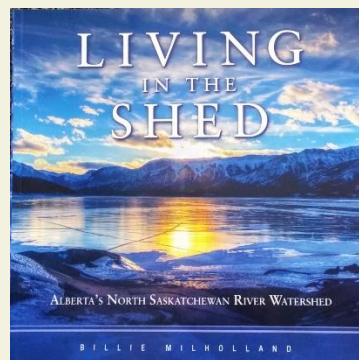

Frank Vagi (representing the Oil and Gas sector) and *Tracy Scott* (representing Ducks Unlimited Canada) joined the NSWA Board in 2003. They exchanged president and vice-president positions back and forth for several years. Under their good-humoured partnership, NSWA grew as an organization.

Undoubtedly, we will hear more of their memories at our Reunion on June 17th!

JOIN OUR TEAM
We're Hiring!
